

Wise

men

say

Only
fools

rush

in

But

I

can't

help

falling
in

love

with

you.

Shall

I

stay?

would it
be

a

sin

If

I

can't

help

falling
in

love

with

you?

Like

a

river
flows

Surely

to the

sea

Darling,

so it

goes

Some
things

are

meant to

be.

Take

my

hand

Take

my

whole

life

too

For

I

can't

help

falling
in

love

with

you

Like

a

river
flows

Surely

to the

sea

Darling,

so it goes

Some
things

are

meant to

be

Take

my

hand

Take my

whole

life

too

For

I

can't

help

falling
in

love

with

you

For

I

can't

help

falling
in

love

with

you.
